26 May 2026

Dear ATA Carnet Applicants and Holders,

Digital ATA Carnet (eATA Carnet) Arrangement for Selected Countries from 1 June 2026

Following the latest notification from the International Chamber of Commerce (ICC) regarding the digitalisation of ATA Carnets, with effect from **1 June 2026**, selected countries will **only accept eATA Carnets** for customs clearance.

The relevant selected countries include the **27 European Union Member States, the United Kingdom, Norway and Switzerland**. In addition, the current limit of 8 countries per ATA Carnet application will be removed. Applicants may list countries according to their actual itinerary.

To align with this arrangement, for ATA Carnets involving the above selected countries, Carnet holders are required to download the eATA Carnet into the **ICC ATA Carnet App** before departure and before customs clearance, and ensure that it is available for presentation to Customs.

HKGCC will provide the relevant **QR Code** together with the ATA Carnet for installation of the eATA Carnet through the ICC ATA Carnet App. Holders should refer to the user guide provided by ICC and complete the necessary setup before departure.

Important Notes

Holders should ensure that the eATA Carnet has been successfully downloaded into the ICC ATA Carnet App and is available for presentation at customs clearance.

- Holders remain responsible for properly presenting the ATA Carnet to Customs upon temporary importation, re-exportation, re-importation or transit, where applicable.
- Failure to present a valid eATA Carnet at customs clearance may affect the customs clearance process.
- For details on the use of the ICC ATA Carnet App, please refer to the user guide provided by ICC.

For enquiries, please contact us at 2398 6033 or carnet@chamber.org.hk

Regards,

Dr. Cecilia Leung Oi Ting

Director, Strategic Initiatives & Trade Certification

2026 年 5 月 26 日

致：暫准進口證申請人及持證人

關於指定國家自 2026 年 6 月 1 日起實施電子暫准進口證安排

根據國際商會 (ICC) 就暫准進口證電子化安排的最新通知，由 **2026 年 6 月 1 日起**，指定國家將只接受電子暫准進口證作清關用途。

有關指定國家包括 **27 個歐盟成員國、英國、挪威及瑞士**。另外，每份申請現時 **8 個到訪國家**的限制將會取消，申請人可按實際行程填報相關國家。

為配合有關安排，凡暫准進口證涉及上述指定國家，持證人須於出發及清關前，預先將電子暫准進口證下載至 **ICC ATA Carnet App**，並確保可於清關時向海關出示。

本會將隨暫准進口證提供相關 **QR Code**，以便持證人透過 **ICC ATA Carnet App** 安裝電子暫准進口證。持證人應參閱 ICC 提供的用戶指南，並於出發前完成相關設定。

注意事項

- 持證人須確保電子暫准進口證已成功下載至 **ICC ATA Carnet App**，並可於清關時正常出示。
- 持證人仍須按有關海關要求，於臨時進口、復出口、再進口或過境時，妥善提交暫准進口證。
- 如持證人未能於清關時出示有效的電子暫准進口證，可能會影響清關安排。
- 有關 **ICC ATA Carnet App** 的使用詳情，請參閱 ICC 提供的用戶指南。
